Conclusion
What is the conclusion we draw?

I don't need to be ashamed of _____!

Lens
How do we interpret this data? What values, assumptions, beliefs do we draw upon?

He will be ridiculed and alone! He won't fit in. If he does this and we associate with him, we will be ostracized too!

Filters
What information are we selecting?

Someone else is doing what he loves: drama! He is in a position of power (popular) and is doing something outside his "zone".

Data
What is the available data?

I belong to a specific group of friends who care about me.

_____ is our friend, we care about him.
